WHO WE ARE

We get a lot of people asking who we are and it's not a simple answer, but in answering this we state our mission. We are a concept, a design house, an event hoster and outlet for lesser-known artists to promote their work.

We provide an environment that focuses on the edgier side of underground art and exposes the talent therein. From graffiti to sculptures, paintings to photography, music to dance, Creativinc searches for raw talent untapped. The primary objective of Creativinc is to deliver these mediums to Chattanooga in a tasteful and exciting format: events.

Each Creativinc event, as with our first show, StereoType, will introduce audiences to aggressive, progressive and intriguing art, artists and art forms, creating an atmosphere that will allow the art appreciator to be engaged by the art and artists through interactive and live performances. This creates an interaction between the audience and artists that can't be achieved through typical gallery showings.

Creativinc is committed to becoming the newest addition to the already rich art community in Chattanooga and we hope to make our niche while providing an interesting twist to art lovers everywhere. This is our mission.

OUR NEXT EVENT

Our next show, titled Skindeep, will have progressive artists from Chattanooga, Atlanta and surrounding areas, live music, food and libations to give our audience a full underground art experience. Featured artists will create masterpieces on live models, bringing the namesake of the show, Skindeep, to life, with every brush stroke.

A portion of the proceeds will go to launch Creativinc into the next level by providing office space, event materials and publicity funding, a solid capital and ensuring our future events are a success.

Our sponsorship packet outlines five different levels of sponsorship opportunities. StereoType, our first art event, generated \$1,500 for Battle Academy, a local school, and we hope you'll help us raise even more for our next event.

Skindeep is sure to turn heads and start a buzz in Chattanooga about seeing a different kind of art. We hope you will participate!

Didn't get to our last show? Check us out on creativinc.com and see pics from StereoType, hosted at The Church on the Southside. Graffiti artists, mixed media artists from Chattanooga and Atlanta including sculptors, painters and performers all awed the audience in October.

Be a part of the next Creativinc art experience!!

SPONSORSHIP

Creativinc offers various levels of sponsorship to give everyone an opportunity to be a part of our efforts to bring new and exciting art events to our community and to further the arts in Chattanooga.

There's an Art Lover, an Art Appreciator, Patron and Curator in all of us. Please look at the different levels of sponsorship and see how you can participate. Your Sponsorship will further the reach of Creativinc and allow us to find and bring the art and artists that make these unique art experiences possible.

Sponsorship Levels:

Art Lover - \$250

2 Patron Level tickets to the Skindeep event

Recognition on Creativinc.com web site

Art Appreciator - \$500

4 Patron Level tickets to the Skindeep event

Recognition on Skindeep signage and on Creativinc.com web site

Art Patron - \$750

6 Patron Level tickets to the Skindeep event

Recognition on signage, web site, printed marketing materials and media coverage (conditional to commitment being made prior to respective print deadlines).

Curator - \$1000

10 Patron Level Tickets

Recognition on signage, web site, printed marketing materials and media coverage (conditional to commitment being made prior to respective print deadlines).

Opportunity to help arrange a feature wall.

In-Kind sponsorship - donation of goods and services

In-kind sponsors get 2 tickets to the Skindeep event for every \$200 of goods/services donated as well as mention on the Creativinc.com web site
